

"I initially approached Lagrafica with the remit of tweaking my existing logo, giving it a more professional edge. Over a period of a few months the initial remit evolved into a rebranding exercise including a change of name.

"Working with Lagrafica on the project was a real pleasure, and to me the key word in this context is 'with'. Lagrafica provided me with an efficient and professional service without stifling my own creativity.

"I now have a brand that I can be proud to present to the business community and my clients. Thank You"

Delyth Williams - Principal, Oracle Accounting

Make an exhibition of your business

There's no better way to strut your stuff than standing out at a trade show. So our designs will put staying power into your display and keep your visitors excited - not just for the few seconds after you meet, but long after your exhibition stand is safely tucked away.

You might want to start out with something simple, like a stylish pop-up stand. More versatile than a Swiss Army Knife, it's ready for action at any exhibition, point-of-sale or reception display.

But if your budget stretches to bigger and bolder, we'll do the whole bespoke thing. We'll build a display to dazzle and amaze, wowing bystanders with your sheer corporate style!

Arddangoswch eich busnes

Nid oes ffordd well o arddangos eich nwyddau na sioe fasnach. Bydd ein dyluniadau yn cadw eich arddangosfeydd yn fodern a chadw eich ymwelwyr wedi'u cyffroi - nid yn unig ar gyfer yr eiliadau ar ôl i chi gwrdd â nhw ond am achau ar ôl i chi roi'r arddangosfwrdd i gadw.

Efallai y byddwch am gael rhywbeth syml i ddechrau fel pop-up ffasiynol a fydd yn addas ar gyfer unrhyw achlysur – arddangosfeydd, man gwerthu neu mewn derbynfa.

Os bydd eich cyllideb yn caniatáu gallwn wir fynd i'r dref! Byddwn yn creu arddangosfa a fydd yn swyno a rhyfeddu gan greu argraff ar eich steil corfforaethol!
